Doing Business With Us

ENGAGING A SOLUTION

Through relationships with investment banking arrangements we have access to arrange transactions, Please note that there are only a limited spots or positions for each year, and these can be filled at any time, so it is imperative that if the client is interested in proceeding they move fast.

- 1) - Advances & Seed Capital- If your company's project has all the transaction documents from beginning to end, exit strategy, management, collateral or credit, and your company just needs to seed the deal to close, then all your company has to do is to engage MEGACARD MEGATRUST services and submit an executive summary and the amount required.
- 2) Collateral Request- Bridge Collateral (30 to 90 days) or Long-Term Collateral- (91 Days to 1 Year), this is a debt obligation that your company would assume and take responsibility to repay. If your company's project has all of the transaction documents and beginning to end, exit strategy, management, collateral or credit, and your company just needs to seed the deal to close, your company may submit an executive summary and the amount required.
- 3) Cooperative Project Funding- this would be long-term debt, 1 year to 5 years, which can be interpreted as a debt obligation that your company would assume and take responsibility to repay. If your company has your company's project fully collateralized, fully documented, exit strategy management, and cash flow to support the loan to value debt obligations, principal and or interest repayments, please submit the documentation so that an estimated closing statement can be prepared.
- 4) Bridge Capital for Buy Sell Opportunity- This would be short-term debt, 1 month to 6 months, which can be interpreted as a debt obligation that your company would assume and take responsibility to repay. If your company has contracts that can support and fully collateralize a buy/sell or import or export transactions that is fully documented, exit strategy management, and cash flow to support the loan to value debt obligations, principal and or interest repayments, please submit the documentation so that an estimated closing statement can be prepared.
